Parent-Student Handbook

Thank you for choosing St. Mark's Catholic School to assist you in developing your children's intellectual, spiritual and physical growth. St. Mark's Catholic School is a fully accredited Catholic school through the Western Catholic Education Association (WCEA).

“Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the World.” MT 28: 19-20

With this statement, Christ sent forth His apostles on a mission of evangelization. Catholic education promotes and fosters the teaching and values of the Catholic Church as professed by the Magisterium of the Catholic Church and articulated in the Catechism of the Catholic Church. Catholic schools, through their educational efforts, provide an essential ecclesiastical ministry, the primary purpose of which is evangelization through a critical transmission of culture in the light of faith and the integral formation of the human person, mind, body, and spirit, to fulfill God’s calling for all to a fullness of Christian living in this world and the next.

St. Mark’s Catholic School Vision

St Mark’s Catholic School is dedicated to educating student disciples in body, mind, and spirit, through the collaboration of families, community, and the Church.

Our Mission

St. Mark’s Catholic School is a ministry of St. Mark’s Catholic Community that fosters excellence, rooted in the Catholic faith, and Christian values.

School Advisory Board

St. Mark's Catholic School Board acts in a consultative capacity to St. Mark's Pastor and the principal. Parents, faculty, administration, and the community work together to provide advice and guidance regarding school policies in accordance with our mission and the policies of the Diocese of Boise. Board meetings are held on the second Monday of each month at 5:30 in the middle school building. Meetings are open to all parents, parishioners, faculty, and individuals interested in the school. By-Laws and current minutes are available in the office and on the school's website.

Support Personnel

Child First Team - The Child First Team is a multi-disciplinary team whose purpose is to identify and meet the needs of students in the St. Mark’s School community who may require assistance in learning in addition to what is provided by the teacher and aide in the classroom. When a student is identified as possibly needing extra assistance, a referral is made to the Child First Team. During the initial meeting, the apparent needs are discussed and decisions are made regarding possible evaluations to identify student strengths and areas of need, and current levels of performance. The Child First then meets again to review the results of the evaluations and to develop a plan of action to assist the student.

The Child First Team is composed of the following members: the principal, the school psychologist, the school counselor, the reading specialist, lead teachers from grades K-2, 3-5, and 6-8, and the classroom teacher of the student referred. Parents/guardians of the referred student are invited to participate in the Child First Team meetings regarding their child.

Counselor - St. Mark's has a school counselor at the school three days per week. The counselor works with all classrooms as well as individual students. Sessions on the development of positive social and interpersonal skills are presented to students on a weekly basis. The counselor also serves on the Child First Team (CFT). Consent to meet with the counselor in small groups or

individually is required through the Family Portal in FACTS.

Psychologist – St. Mark’s has a school psychologist at school two half days per week. The psychologist works with classroom teachers as well as individual students. The psychologist serves on the Child First Team. As part of this team, the school psychologist may administer achievement or intellectual assessments of students. Consent to meet with the counselor in small groups or individually is required through the Family Portal in FACTS.

School Nurse - St. Alphonsus School Health Program provides St. Mark's Catholic School with a registered nurse or a nursing assistant Monday - Friday. Parents should notify the nurse of any new or existing medical conditions that may apply to your child. You may contact the nurse through the school office. A health history form with medical permission is required by the nurse for each student. This form is included in the Enrollment Packet.

Medical consent is required for each student. This consent is included in the Enrollment Packet found in the Facts Family Portal.

Resource Officer - The Boise Police Department assigns a Neighborhood Contact Officer to St. Mark's School on an on-call basis. The resource office is stationed at Fairmont Junior High (school directly south of St. Mark’s Catholic School). The program seeks to educate our youth about the role of law enforcement, protect our youth via educational programs, and prevent crime and delinquent behavior.

PRESCHOOL AFTER CARE

St. Mark's Catholic School offers a preschool after care program. This program is separate from Homework club and has a different fee structure. The program runs from 3:15 to 5:30 each day school is in session (except half days). It is important your child(ren) is picked up promptly at the close of the program. A late fee of \$1.00 per minute will be charged beginning at 5:31 pm. Parents are billed monthly for after care and must request days two weeks prior to the start of the month to ensure proper staffing. Please see Preschool Tuition and Fees schedule on our website for rates.

SCHOOL LUNCH

A nutritious hot lunch is provided each full day of school on a pre-pay basis. Please deposit lunch and milk money online on the Family Portal through FACTS or with the school office. No money will be accepted for lunch in the lunch line. A fee is charged by EzSchoolApps.com for lunch money deposited to their website; you are welcome to send a check or cash to the school office for lunch fees.

Lunches are **\$4.00** per day for both students and adults (subject to change). Students bringing cold lunch may purchase milk for **25¢**, which will be deducted from their online account.

The lunch menu for each month is available on the school's website www.stmarksboise.com

- Report student progress in a timely manner and communicate any significant decline in grades
- Work in a constructive and open-minded manner when working with students, staff, and parents

ENTRANCE REQUIREMENTS/POLICIES

The principal will carefully screen all registrations before admission into St. Mark's Catholic School is approved.

Age

Preschool three year old students must be three years of age on or before September 1st of the year of enrollment. They must also be fully potty-trained.

Preschool four year old students must be three years of age on or before September 1st of the year of enrollment. They must also be fully potty-trained.

Kindergarten students must be five years of age on or before September 1st of the year of enrollment.

First graders must be six years old on or before September 1st of the year of enrollment.

Documents

At the time of registration, the following must be presented:

- Baptismal certificate or facsimile copy
- Certified copy of birth certificate
- Enrollment health information with up-to-date and physician-verified immunization record
- Copy of school records from previously attended school, if any (report cards, standardized testing, attendance records, and behavior records)

Priority

Admittance to St. Mark's School will be based upon the following prioritization:

- Students currently enrolled (from a prior year)
- Students who have a brother/sister currently at St. Mark's School
- New enrollee to St. Mark's School who are Active Enrolled Parishioners.
- New enrollee to St. Mark's School who are Non-active or Non-parishioners

Application Procedure

Parents who wish to enroll a child must complete an Application for Enrollment form and submit a **\$72 non refundable fee** (plus any FACTS charges). The application does not guarantee enrollment, but does place the child's name on a list for consideration for admission. Applications may be picked up from the front office or found on the school's website.

TUITION AND FEES

The 2025-2026 tuition schedule and fee schedule can be found on our school website at www.stmarksboise.com.

Tuition is payable annually, semi-annually, or monthly. Monthly payments for 9 (preschool only), 10, or 12 month installments are to be made utilizing electronic funds transfer which takes place on the 5th of each month or the 20th of each month.

Tuition Assistance

Tuition assistance is available to all enrolled students (K -8th) whose families are active parishioners at St. Mark's Catholic Church. Financial aid is awarded based primarily upon financial need and the availability of school funds. Financial awards are determined by the Financial Aid Committee appointed by the pastor. Applications for financial assistance are due the third week in April for the following school year. Applications may be obtained from the front office. Families registering after the application deadline, should contact the school office.

Collection Policy

In order for St. Mark's School to meet its spiritual and educational objectives, it is imperative that each family meets the financial commitment they have made regarding their tuition. While it is the desire of the parish/school to make an education possible for each student regardless of economic status, it is essential that each family provide financial support to the school to the best of their ability. Tuition commitments established by a parent are considered to be a legally binding obligation that can only be dispensed by the authority of the St. Mark's School Administration. In order for the School Administration to be in a position to properly monitor the budgetary requirements of the school, it is necessary for the following collection policy.

- Please contact the school office if there is a problem in making your tuition payment by the agreed upon date.
- Accounts that are 30 days delinquent will be contacted by the school office requesting immediate payment. Any account that falls 60 days delinquent will receive written notification requesting that the account be brought current. In case of hardship, a written alternative plan for payment must be submitted to the school office within 10 days of notification. This plan should be addressed to the Principal of St. Mark's Catholic School. The alternative plan should include a written statement outlining the extenuating circumstances resulting in the delinquencies. Acceptance of said plan will be determined by the principal and the Director of Parish Operations.
- Accounts that are more than 90 days delinquent will receive a second written notification requesting that the account be brought current. A phone call from the principal requesting a written plan (explained above) for payment will be made. If the account is not brought current and/or a written plan is not submitted and approved, the account will be turned over to the parish for further action. This will apply to all delinquent accounts that have not been submitted and have an approved alternate plan for payment of tuition.
- There will be a \$25 late payment charge assessed for delinquent accounts unless written notification has been given to the school office. This charge also applies to returned payments.
- If a family account remains delinquent at the end of the school year, the family's student(s) will not be readmitted to St. Mark's School until the account is cleared or suitable arrangements are made for the clearance of the account. Registration packets will not be distributed to families with accounts more than 60 days delinquent. Student files/records will not be released until all tuition accounts have been paid in full and/or acceptable arrangements made for payment.

FAMILY SERVICE HOURS & Volunteer Requirements

Volunteers provide a very valuable service to many educational efforts each day at St. Mark's Catholic School. Each family (K-8) is required to give a minimum of 24 hours per school year, 18 of which to help with various tasks as identified by the principal and staff, and six of which to contribute to the success of our annual dinner auction. These hours directly support the operations of the school and are separate from the parish ministry requirement for families applying for the In-Parish tuition benefit.

All volunteers are asked to log their service hours in their FACTS Family Portal. The possibilities for volunteer hours are limited only by your gifts and willingness to share them. It is preferable that service hours are recorded at the end of each quarter for accuracy. **All service hours must be submitted by no later than the last day of the school year.**

If a family does not complete the required 24 hours, a financial contribution of **\$20 per missed hour is required**. A financial contribution does not replace or reduce tuition. **Service hour documentation submitted late will be assessed a \$25 late fee.**

In order to volunteer at the school, **ALL VOLUNTEERS (including preschool-8th grades) MUST HAVE COMPLETED THE SAFE ENVIRONMENT WORKSHOP (SEW) AND HAVE AN APPROVED BACKGROUND CHECK THROUGH THE DIOCESAN OFFICE.**

The cost of a Diocesan background check will be billed to the family's account, and ranges between \$13.00-\$85.00, depending on several factors including the number of states in which an applicant has lived.

Once the Safe Environment Workshop has been completed in person, an annual online renewal process is required by the Diocese of Boise. Please visit <https://www.virtusonline.org/virtus/> to complete the renewal course.

ATTENDANCE

General Policy

All students are required to arrive at school on time and to attend school daily. Students must be in attendance at least 90% of the total number of school days or he/she may be denied promotion to the next grade. Summer courses also may be required. Absences in excess of the maximum number allowed should be accompanied by a note from a physician. Exceptions may be made for situations related to school closures and/or local health department recommendations.

Parents may be asked to attend a review board meeting, made up of administrators and teachers, to determine the appropriate course of action.

Tardiness

Punctual arrival at school is important. The tardy bell rings at 8:05 am. Students shall be considered tardy if

they are not in their classroom prior to the starting time. Middle school students may record tardies if they don't arrive to their next class before the tardy bell rings.

If a child will be late in the morning, please contact the office via telephone or email. Students who are tardy are expected to sign in at the office prior to heading to their classroom. Failure to check in at the office will result in being marked absent for the day.

Tardies are tracked on a quarterly basis. Students will be required to serve a lunch detention, or parents may choose to pay a \$10 fine, after accumulating three (3) unexcused tardies within a quarter. Fourth quarter tardies will receive automatic billing at the end of the school year, \$10/three unexcused tardies.

Repeated unexcused tardies in all grades will result in appropriate action by the administration. Parents may be asked to attend a review board meeting, made up of administrators and teachers, to determine the appropriate course of action.

In the case of significant unforeseeable events (i.e. inclement weather or road delays) that prevent the timely arrival of a student, that occurrence shall not be considered in the above consequences.

Absences and Illness

Students are expected to attend each day of school when it is in session unless their attendance is prevented by an illness. In the event that a child is ill, the following shall occur:

- Parents should either call or e-mail the school office by 8:30 a.m. to notify us of their child's absence.
- The school will contact any parent who has not notified the school of their child's absence prior to 9:00 a.m.
- The teacher will provide the student or parent with makeup work following their arrival back to school.

The time allowed for making up work missed during an absence is one day more than the number of days the student has been absent. Unless otherwise agreed upon with the teacher, work or tests not completed within the allowed time will be recorded as a failing grade. Ultimate responsibility for any work missed during an illness will rest with the student.

Parents are asked not to seek permission to have children excused early at the beginning of holidays and vacations or for a day, or part of a day for weekend trips, social affairs, etc. Homework for those students out of town will be available after the student returns. It will be the sole responsibility of the student to see that their work is completed and returned.

Notification to parents of any concern regarding a student's lack of academic or social/emotional development as a result of prolonged or repeated absence shall occur via a conference or written communication. Should the number of absences have such a profound effect on the student's academic or social/emotional abilities that promotion to the next grade is in doubt, summer classes may be required at the expense of the parent and/or the child may be retained in the same grade level.

Medical/Dental Appointments

Medical/dental appointments should, whenever possible, be made outside the school day. When an appointment can be made at no other time, requests for school absences will be honored. Please provide advanced notice of the appointment to the school office either by telephone call, e-mail, or written note. The student will be released from class only after the parent/ guardian arrives at St. Mark's Catholic School. If someone other than the parent/guardian is picking up a student, the school office must receive a phone call or email from the parent/guardian allowing the person to take the student from school. Parents/guardians must report to the school office when picking up or returning their child for such appointments. A sign-in/out sheet must be signed by the

parent/guardian. **A doctor's note is required upon the student's return to school.**

Arrival/Dismissal Policy

The proper safety and supervision of your child before and after school are of paramount interest to all of us. To properly insure your child is well cared for before and after school, your cooperation in adhering to the following guidelines is appreciated.

Students should cross to the school's front parking lot by walking in the marked crosswalk area. Please note the NO PARKING area designated next to the parking island in the school's parking lot. This area is set aside to allow for the safe drop off and pick up of students.

Please do not ask students to jaywalk across Northview Street. The volume of traffic has made this a real safety concern. Never ask students to cross in the middle of the block. Students are expected to follow proper safety rules at all times. Parking for drop off and pick up **is not** allowed across Northview at River City Church.

●Parents/Guardians are **not permitted** in the school hallways before or after school without prior approval from the office.

● **Arrival**

○ Drop students off by using the School's front parking lot (See 2025-2026 Parking Lot Map - Appendix G)

● Students are to assemble in the playground area on the south side of the school.

○ All students should enter through the metal gate on the north side of the middle school building and should go straight to the playground.

● **Dismissal**

○ Games and sports equipment are not to be used after school in front of the school building. Parents, your re-emphasis on this expectation is appreciated.

○ **Do not use cell phones in the parking lot during pick up/drop off of students.**

○ Do not leave cars unattended in the pickup area at the end of the school day. If you need to enter the building, please park your car in the main lot before entering the building.

COMMUNICATION AND CONFERENCES

Messages

Telephone messages to students during school hours are strongly discouraged. Only messages of vital importance will be relayed to students during school hours since it is impossible to deliver messages without disrupting classes. If through urgent necessity a parent comes personally to school to deliver a message or bring something to a student, the parent must come to the school office. **Under NO circumstances is the parent to go directly to the student's classroom.** Students are permitted to use the telephone in the office only in cases of extreme need and then only with permission from the teacher. Please refrain from texting your child during school hours as they are not allowed to use their phone during the school day.

Deliveries

Deliveries of non-school related items will not be made until the close of the school day or between periods so that class is not disturbed. Arrangements for after-school social activities and transportation should be taken care of at home.

Weekly Newsletter

A newsletter entitled, **Friday Facts**, is emailed from the school office at the end of each week. Please watch for and read the newsletter to keep up-to-date on the school calendar and other important items. This information is also available on the school's website.

ParentAlert by FACTS

St. Mark's School makes use of the phone/email/text application **ParentAlert** that provides us the capability to contact all families virtually immediately. **ParentAlert** is used to provide reminders or other timely notifications. It can also be used in the event of an emergency. This will appear as a five digit number. It is recommended to save the number in your phone for future reference.

Parent/Teacher Conferences

Parent/Teacher conferences are scheduled after the first quarter of the school year and upon request. Fall conferences are scheduled by parents on **PTCfast.com**.

Confidentiality

St. Mark's Catholic School's staff has great respect for our students' right to privacy. The Family Education Rights and Privacy Act of 1973 (FERPA) and the Child Protection Act of 2012 (CPA) were designed to protect the personally identifiable information of minors. St. Mark's Catholic School adheres to these laws in its attempt to protect the privacy rights of all students. As a result, the parents of students enrolled at St. Mark's Catholic School are forbidden from posting photographs taken at school-sponsored events that occur during school hours that include images of students, other than their own, on their personal social media pages without permission of the parents involved. Such postings are a violation of St. Mark's adherence to FERPA and the Child Protection Act. In addition, parents must respect the fact that school staff will only discuss students with those students' parents/guardians and staff members as necessary.

CURRICULUM AND INSTRUCTION

Curriculum

St. Mark's Catholic School is fully accredited by the Western Catholic Education Association (WCEA). St. Mark's Catholic School curriculum for each grade level is designed to meet or exceed the Idaho Common Core State Standards. The areas of academic concentration are religion, reading, language arts, mathematics, science, and social studies. All students receive additional instruction in the special areas of Spanish, art, music, health and physical education. Technology is integrated throughout the curriculum and students are provided instruction in computer literacy skills.

Religion/Community Service

St. Mark's Catholic School exists because of our commitment to Christ-centered education. The religious program includes the aspects of Prayer, Faith, Liturgical Life, Moral Growth, and Social Responsibilities. Students receive daily religious instruction in addition to preparation for and participation in student liturgies each Wednesday

As part of each student's religion class, an experience in community service will be expected from each student during each quarter, semester, or school year. Community service projects, which involve assistance to others, will be arranged on both a classroom or an individual basis. Parents are actively encouraged to join in any community service project. Information about specific community service expectations for each grade level will be made available by each classroom teacher.

Mass Attendance

The student body of St. Mark's Catholic School attends Mass every Wednesday at 8:30 a.m., and on Holy Days of Obligation that fall on a regular school day. Parents are asked to please have their child to school no later than 7:55 a.m. on Wednesdays. Students at all grade levels will enter the building with the first bell so that attendance can be taken and classes can prepare to walk over to Church. If they arrive at school after their class has left for Mass, please check them in at the office and then deliver them to the Church. Parents are encouraged to attend student Masses.

Music

Music is offered twice weekly to students in kindergarten through fifth grades. Advanced choir and orchestra are offered for interested students in fifth through eighth grades.

The goal of the school music program is to teach all students the basic fundamentals of music for their knowledge and understanding of, appreciation for, and participation in music. The curriculum begins on a very primary level for kindergarten and increases in difficulty as the grades progress. It includes elements of note reading and time values, rhythms, signs and symbol recognition, physical movement to music, following a director, and program production.

Students are invited to participate in parish liturgies several times each year by singing in the Mass Choir. Mass Choir practices are held Wednesday mornings from 7:20 a.m. to 8:00 a.m. (time is subject to change).

Health

Health instruction takes place at all grade levels. The curriculum for grades 6- 8 focuses on teen health issues such as decision-making skills; wellness as related to health and appearance; nutrition; body systems; tobacco, drugs, and alcohol and their effects on health; communicable and non-communicable diseases; and environmental health issues. Puberty classes are taught to fifth grade students by our school nurses. Seventh and eighth grade health are integrated into the science curriculum. Sixth grade health is a separate class.

Varied grades are checked for vision and hearing and students in 5th and 7th grades are checked for correct posture and scoliosis by our school nurses. Instruction on personal safety issues also occurs at all grade levels. Dental care, hand washing, and personal care are taught to younger students by our school nurses.

Physical Education

Physical Education classes are conducted for grades K-8 a minimum of two times weekly. The overall objective for all P.E. classes is to encourage a love of healthy activity. The emphasis in the primary grades is on perceptual-motor development. Fifth and sixth grades participate in lead-up games to develop physical, social, and lifetime skills in sports and fitness-related activities. The focus in seventh and eighth grades continues on physical fitness and lifetime activities. The program is developed through exploratory activities, individual and team sports, rhythm and dance, and self-testing activities.

The Presidential Fitness Test is administered each year. A field day is conducted each spring and students participate in several different stations for fun and skill.

Student Council

The Student Council at St. Mark's Catholic School is organized for students in grades 4th through 8th. The purpose of the organization is to provide an active student government, establish favorable student/teacher relationships, develop scholarship, promote school loyalty, and develop potential leadership. Student

council members must maintain eligibility as set forth by the St. Mark's Academic/Behavior Eligibility Agreement (**Appendix D**).

Throughout the year the Student Council sponsors several activities. Among these activities are Red Ribbon Week, spirit weeks, campus tours, the annual talent show, snack shack, and various fundraisers to benefit the community and the school.

ASSESSMENT AND GRADING

Reports of Student Progress

Parents may access reports of student progress utilizing **FamilyPortal** in FACTS. This program enables parents to review their child's grades via a secure internet link. Access to student grading information is password protected. A separate account is established for each student. Grading information is updated weekly.

Hard copies of report cards detailing student progress are made available at the end of the first quarter for parent-teacher conferences and at the end of the year. All quarterly report cards may be viewed on the FACTS website. Progress reports can be viewed at the midpoint of each quarter electronically via the FACTS website.

Assessment Program

St. Mark's Catholic School offers a comprehensive series of assessments to assist students in their learning. Aside from the traditional evaluation and assessment practices found within each classroom, the following school and statewide assessments are conducted:

- CBM's – Curriculum-Based Measures of reading fluency are conducted at least two times per year and administered by our reading specialist. This information tells at what rate the student is reading and how accurately they are decoding what they are reading.
- MAP - The Measures of Academic Proficiency (MAP) test is a standardized achievement test for 1st through 8th graders to determine students' progress according to state standards in three subject areas: Reading, Language Usage and Mathematics. The MAP is also used to measure student growth over time and to help identify specific areas of emphasis for instruction. The MAP is administered in the fall, winter (K-5), and spring each year.

PROBLEM RESOLUTION

Grievance Policy

Effective communication between home and school is one of the important goals of St. Mark's School. The sharing of relevant information between parents, students, and teachers is an important element in the decision making process that leads to continued growth for our students. In order for good communication to occur, it should be based upon a strong sense of cooperation. Our interactions must be consistent with the ideals of charity and justice that are a large part of the Catholic faith. Parents with a concern about their child's education have an obligation to their child and to themselves to contact the school.

Grievance Procedure

Initial contact should be made with your child's teacher. This provides you with the opportunity to discuss the problem and hear the teacher's explanation. Your questions and comments should be made in a calm, reasoned manner. This approach will most likely bring about cooperation, assistance, and ultimately, resolution of the problem. This approach will also set the stage for positive communication in the future. Please schedule classroom visits with your child's teacher. Teachers' time immediately before and after school is concentrated on the direct needs of the students. Scheduling a time with the teacher allows both parties to focus their respective energies on the task at hand.

If the conference with the teacher does not result in a resolution of the problem to your satisfaction, contact the principal and make an appointment to share your concern. At the time of your call, provide a concise explanation of your concern. A meeting will be scheduled at the earliest possible time. A response to your concern by the principal should occur within a one-week period of time.

In the event the parents believe the principal may have a conflict of interest or their presence may distract or impede the resolution to the issue in the best interest of the child, the parents may request a preliminary meeting with the pastor privately.

If the concern remains unresolved, parents may request an appointment with the pastor of St. Mark's Parish. At the time of requesting the appointment, the parents are to inform the pastor in writing of the concern/problem at hand. Either the parents or pastor may request the presence of the principal at such a meeting.

Addressing the School Advisory Board

The St. Mark's Catholic School Board is advisory to the Pastor and Principal. If you would like to address the Board the principal or the School Board Chair must be contacted in order to be placed on the agenda.

Parents should not expect that the Board would provide a forum for airing concerns that have not been placed on the agenda. The Principal and the Pastor make all final decisions on items to be placed on the agenda.

DISCIPLINE AND BEHAVIOR

Discipline Policy and Goals

St. Mark's School and its faculty shall utilize policies and procedures that have as their intent the fostering of student success through the development of self-discipline. Behavior stressing Christ-like conduct that facilitates the development of an excellent learning environment and student safety will be the expectation for each student. No student will be allowed to interfere with the educational process within the classroom (interfering with someone's learning or with the teacher's right to perform his/her job). Positive reinforcement will be an integral part of our discipline plan.

St. Mark's School asserts the following as its disciplinary goals:

- Develop an understanding of Christian values and put those values into practice either individually or as part of a group.
- Develop the ethical and moral decision-making skills of all students.
- Provide a classroom and school environment that maximizes learning for all students.
- Provide a safe environment both physically and emotionally for all students.
- Foster strong self-discipline skills that encourage students' academic and moral development.
- Although one of the main focuses of the school's discipline plan is the use of positive reinforcement,

other consequences may also be used for those students who choose to act inappropriately.

Consequences – Minor Disciplinary Offenses

Consequences for inappropriate behavior may vary from class to class. Consequences may include having students complete a refocus sheet or loss of recess or some privilege. Other minor infractions of the expectations for students may result in the student serving an after school detention.

The detention of a student after school hours may occur if the following conditions apply:

- The student's behavior has been inappropriate or is of a repeated nature,
- An after school detention is a reasonable, appropriate consequence, and
- Parents have been notified via telephone or written communication that their child will be detained after school.

Students detained after school hours will be closely and properly supervised. Students are expected to serve a detention on the assigned date. Failure to serve a detention will be a major disciplinary offense and invites the possibility of suspension or expulsion. The serving of a detention will take precedence over extracurricular activities or sporting events. In the event a detention is assigned to a student, a form will be sent home to be signed and returned the next day. This form will include the staff member's signature and a brief explanation of the infraction. It is the student's responsibility to see that a parent or guardian signs the detention form so that it can be returned the next day.

Upon the third detention in a given semester, or earlier should the situation warrant, a conference with the parent(s), student, teacher, and principal will take place. Outcomes of the conference may include but are not limited to the following: Development of a social contract or action plan for improvement by the student, recommendations for additional evaluation, and probation for a particular period. Students may also be restricted from extracurricular activities during the terms of probation.

Students receiving subsequent detentions may receive the following consequence: In-School Suspension, Out-of-School Suspension, or Expulsion.

An In-School Suspension is used when a student needs disciplinary action that allows them to remain on school grounds and continue their studies in a supervised setting, while an Out-of-School suspension removes them entirely from school for a period of time, usually for more serious offenses or when the student's presence is disruptive to the learning environment.

Consequences - Major Disciplinary Offenses

Any student committing a major disciplinary offense will receive a minimum of a 1-3 in-school suspension and will be placed on a thirty (30) day probationary period. Terms of the probation will be discussed at the time of the parent conference. The following are examples of major disciplinary offenses and may be grounds immediate expulsion or out-of school suspension:

- Possession of a weapon, explosive, or other hazardous object.
- Possession or use of any controlled substance, tobacco, alcoholic beverage, or type of intoxicant.
- Causing, attempting to cause, or threatening physical injury to another person.
- Abusive or sexually harassing language or actions towards others.

- Repeated failure to adhere to school rules.
- Causing or attempting to cause damage to school property or the property of others.
- Any action that places St. Mark's students or faculty in danger.
- Continued willful disobedience/defiance of authority.
- Physical, emotional or cyber bullying.
- Truancy – absences without parent/teacher approval.

A second major disciplinary offense will result in a 3-5 day out-of-school suspension or expulsion from school.

Suspension/Expulsion Policy

Any student involved in a major disciplinary offense will automatically incur a 1-3 day suspension from school and from extracurricular activities. Based upon the severity of the offense, a determination will be made as to the type and duration of any suspension or expulsion that may be deemed necessary. It will be the responsibility of the principal or his/her designee to make such determinations. A parent conference will be required in order for the student to be reinstated.

Digital Bullying

Cyber or Online bullying is the use of electronic information and communication devices such as, but not limited to, e-mail, instant messaging, text messages, blogs, cell phones, other personal communication devices, or social networking sites to bully, intimidate or otherwise harass an individual or group through personal attacks or other means, and it may constitute a computer crime. Cyberbullying is willful and involves recurring or repeated harm inflicted through the medium of electronic text.

Social Media

Any use of social media that violates St. Mark's School or [Diocesan policies](#), discloses any confidential or proprietary information, makes maliciously false comments about school or its staff, clients, or other business partners, or contains abusive comments, may result in disciplinary action. It is expected that students and parents use their judgment and act responsibly in all communications, regardless of how one communicates. If you are uncertain about the appropriateness of a social media posting, you should not post it prior to discussing it with the Principal.

Substance Abuse and Tobacco Policy

It is the policy of St. Mark's Catholic School to prevent and prohibit the possession, use, sale, distribution, and/or intent to distribute any illegal or controlled mood-altering chemical, medication (except medications distributed to individual students through the office with parent and physician permission), look-alike drug, abused chemical, inhalant, or tobacco, by any student.

Diocese of Boise's Gender Policy

St. Mark's Catholic School follows the Diocese of Boise's gender policy titled "Catechesis and Policy on Questions Concerning Gender Theory." This document is available upon request of the Principal or on the Diocese of Boise website at the following web address: <https://www.catholicidaho.org/post/a-catholic-response-to-gender-identity-theory>

EMERGENCY RESPONSE PLAN/SCHOOL CLOSURES

Emergency Plan

An emergency plan describing procedures to be followed in the event of certain emergency situations is located and available for review in the school office. If severe weather conditions should dictate the cancellation of school, as much prior notice as possible will be provided via local television and radio stations that provide such notification. Notification to parents via the telephone, texting or email can all be done by FACTS in the event of an emergency situation. Additional notification may be available via the school's website and Facebook page.

SCHOOL EMERGENCY RESPONSE

When an emergency or crisis affects the school, the well-being of St. Mark's students is the first priority of the administration and staff. All available resources will be used to ensure their health and safety. If a situation arises, please note the following:

1. The school will send out notifications through **ParentAlert** to keep parents informed. Please DO NOT call the school or Diocese, as all of the phone lines will be needed to deal with the emergency.
2. Our school building is likely to be one of the safest places children could be during most crises or natural disasters.
3. In most situations, students will be kept at school until the crisis has passed.
4. If students are needing to evacuate the building, parents will be informed and the information about the safest pick-up location will be shared. Students will only be released to parents or others who have permission to do so. pick them up.
5. Follow normal pick-up procedures unless otherwise directed by the administration.

Emergency Lockdown

If St. Mark's School is notified of a need for a lockdown by the local law enforcement officials, the following procedures will be in effect:

- All exterior doors to the school will be closed and locked for the duration of the emergency situation.
- No additional exit or entrance to the facility will be permitted by parents, visitors, or students.
- Should the lockdown extend past the regular school day, students will remain in the school until an all clear authorization comes from the law enforcement agency in command.
- School personnel will be responsible for monitoring the entrance access areas of the building during any lockdown to help ensure internal security with our students. Should access be restricted to the immediate school site, the alternate site to wait for the all-clear notification will be St. Mark's Parish at 7960 W. Northview Street. Parents will be notified as soon as possible via email and/or texts when it is safest to do so.

Emergency Information (To be updated in FACTS)

Emergency forms are kept on file in the office with contact information in the event a parent/guardian cannot be reached in case of an illness or injury. It is important that the information be kept current.

Fire Drills and Lockdown Drills

It is imperative that regular fire drills and lockdown drills be practiced to reduce the possibility of students and staff becoming unnecessary victims in a crisis. Periodic drills help ensure that responses by public safety officials are well thought out and appropriate and that staff and students know what their responsibilities are during a crisis. St. Mark's Catholic School is committed to monthly fire drills and biannual lockdown drills.

HEALTH AND SAFETY

Urgent Health, Injury, or Illness Needs

The office staff and school nurses (when on-site) will administer basic first aid only. If your child becomes ill or is seriously injured, he/she will be cared for temporarily by a staff member and you will be notified. If you cannot be located, we will contact 911 and authorize emergency care. Please update information in FACTS's PlusPortals when there is a change in your current home, cell, or business telephone numbers.

It is vitally important that the school have the name of another party to call in case of illness or injury if you cannot be contacted. In a life-threatening situation, school personnel will: (1) call 911, and (2) notify the parent. If you leave town and someone else is caring for your children, please send the pertinent contact information to the school office.

Communicable Illnesses

The decision to keep a child home from school can be a difficult one; however, certain conditions should warrant keeping a student at home including vomiting, diarrhea, and a high fever of 100°F or greater or severe flu symptoms. If a child is kept out of school for three or more days, a doctor's release is required before the student may return to class. Good hand washing is encouraged to prevent the spread of communicable illnesses to students and staff.

Head Lice

St. Mark's Catholic School has a "no-nit" policy for head lice. If your child has been treated for head lice, he/she must be checked in the school office before being re-admitted to class. Please notify the School Nurse or school office if head lice have been noticed. Strict confidentiality will be maintained by school staff.

Immunization Information

Every child enrolled in Preschool through grade 12 of any Idaho public, private, or parochial school must have a record of immunization, by month and year, recorded in the child's permanent record file. An immunization record and/or statement signed by a licensed physician or an official state immunization registry document or qualified representative are the only legal proof of a child's immunization. This record or statement must reflect the type of vaccine and the number and dates of each immunization that the child has received. Exemptions from immunizations are allowed for medical, religious, or personal reasons, but must be cleared through the School Nurse. In the event of an outbreak, children with the immunization exemption will be excluded from school until the State Department of Health has determined the threat has passed. Please make sure your child is immunized according to Idaho law. For the protection of all our students and in accordance with State law, no child will be admitted into a classroom without proof of immunization.

Medicine

For students requiring prescription medication at school, a parent/guardian must bring the original prescription bottle (with prescription attached) to the school office and sign a medication authorization form which will be placed on file. If a student is to receive an over-the-counter medication (i.e. Tylenol, Advil, cough drops, tums) at school, a parent/guardian must complete a Medication Authorization form found in the FACTS Family Portal. **Parents should deliver all medications to the school nurse or office staff immediately upon arrival at school.**

OPERATIONS, ACTIVITIES AND EVENTS

Electronic Devices

Any device that operates wirelessly, cellularly, communicates with another device or is capable of taking photos or video is not permitted to be used on campus during school hours. Utilization of these devices without the explicit permission of the teacher or administration during the course of the school day is strictly prohibited.

Any such device brought on the premises by a student must remain off during the school day and stored in their backpack or given to their teacher.

, such as AirPods, etc. are not allowed. Wired headphones may only be used with teacher permission. Wearables, such as Smartwatches, Fitness trackers, etc. are not allowed. Students with medical needs may obtain a medical exemption through the school.

Any such device will be seized and taken to the Principal's office if found being used. Seized devices must be obtained after school from the Principal. If there is an additional violation, the parent will be required to pick up the device at the school office. Students are permitted to use school-approved devices while on campus. All communication between parents/guardians and students needs to go through the school office during school hours.

Items from Home

Students should not bring toys or other non-school-related items to school, unless directed by the teacher or at his or her discretion. Such items can be a disturbance and distract from the educational program within the classroom and on the playground.

Video Cameras

St. Mark's has video cameras throughout the campus to assist in school safety and security measures. School personnel will utilize live or recorded video as deemed necessary to support our safety and security. For non-St. Mark's personnel, a subpoena is required to obtain access to St. Mark's video footage.

Pictures

Taking pictures with camera phones or with other cameras without permission from the office is prohibited. This includes all school property, inside or outside. Permission to publish waivers must be signed in order to allow pictures to be taken of students or St. Mark's personnel.

Inclement Weather

We want students to be active and be outside whenever possible. Please be sure your child has dressed accordingly for the forecasted weather. When the weather is bad, students are to go back to the classrooms or designated area upon arriving at school (usually below 20 degrees F, or raining/snowing hard). Weather conditions will be considered in issuing tardies. Please notify the school office if this is the case.

Many factors are considered when canceling school due to inclement weather. Please listen to the radio or watch television, social media, and text messages in the morning on severe weather days. We will send out text alerts through **ParentAlert**. Please make sure you have entered correct and up-to-date email and cell numbers in FACTS to ensure you will receive email and text messages from the school.

Lockers

Students in the upper grades may be assigned a locker to store personal items and school materials.

Combination locks or locks with a key are not allowed, so it is recommended that students leave their valuables at home. St. Mark's will not be held responsible for lost, damaged, or stolen items left in lockers or any other location in the school. Lockers are school property, and therefore the school reserves the right to inspect lockers at any time.

Birthdays

Birthday celebrations in the classroom are to be scheduled in advance and are at the teacher's discretion. Allergen-free treats may be necessary. Please do not send invitations for parties, etc. with your child for distribution at school.

Visitors/Volunteers

Visitors/Volunteers (including parents) must report to the school office and obtain a visitor's pass. Please schedule classroom visits or meetings with your child's teacher in advance. Teachers' time immediately before and after school is concentrated on the direct needs of the students. Scheduling a time with the teacher allows both parties to focus their respective energies on the task at hand. Check in, dismissal of students, or transporting of materials to students during class time will be handled through the office.

All volunteers must have the Safe Environment Workshop (SEW) and a Diocesan background check (a new background check is required every five years) in order to volunteer at the school. An initial in person Workshop must be attended and then an annual online renewal must be completed prior to volunteering.

Athletic Programs

TVCS - St. Mark's Catholic School offers a variety of athletic programs for our students. In cooperation with area Catholic schools, 6th-8th graders may participate and compete on Treasure Valley Catholic Schools (TVCS) sports teams. Teams compete in the Inter-Valley League Junior High Conference in cross country, football, volleyball, basketball, lacrosse, tennis, track and field and golf. Sixth graders may only compete in cross-country, wrestling, tennis, track and field, golf, ski and snowboarding.

In order for students to participate in TVCS athletics, they must have a physical exam, a medical release, fees paid, and a permission form on file with the TVCS athletic director. There are standard fees for each athletic team.

Students must be academically and behaviorally eligible to compete in St. Mark's Catholic School athletics programs. **Please see Appendix C for St. Mark's Academic Eligibility Agreement.**

Specific TVCS sports may require early release. In the event of early release, parents will be notified accordingly.

More information about TVCS Athletics is available at:

<https://tvcsathletics.com/>

TVCS Band - Information will come home in the fall to middle school students interested in participating.

Other Programs –

Students in grades 7 and 8 may compete in the annual Hallissey Basketball Tournament in February.

Students in grades 3 through 6 may participate in the Idaho Catholic Schools Invitational held in Boise each spring.

T-Ball teams in grades K through 3 are formed in the spring with details provided in Friday Facts.

For safety reasons, student spectators may not watch practices unless accompanied by an adult. Coaches are not responsible for the supervision of spectators.

Field Trips

During the year there may be occasions in which classes may benefit from school-sponsored excursions to locations away from the school grounds. In the event of a field trip being arranged for your child, you will be notified via a Parental/Guardian Consent Form/Liability Waiver which **MUST BE SIGNED AND RETURNED AT LEAST TWO DAYS PRIOR TO ANY STUDENT'S DEPARTURE ON A FIELD TRIP.** With each scheduled field trip, a Parental Consent Form will be issued. No student will be allowed to participate in a field trip away from St. Mark's Catholic School without a signed form for each field trip to be taken.

Field Trip Medical Information Form

In accordance with the Roman Catholic Diocese of Boise's field trip policy, every student must have on file a Medical Information Form. This form is filled out one time per year. It is important that any changes in the information contained in the form be communicated to the school office.

Field Trip Drivers

Parents - please note that if you are driving for a field trip, we need your cooperation in following these guidelines:

- All drivers must complete and submit to the office a Diocese of Boise Driver Information Sheet. This form is available in the school office or on the school's website.
- **ALL VOLUNTEERS MUST HAVE COMPLETED THE SAFE ENVIRONMENT WORKSHOP and A DIOCESAN BACKGROUND CHECK.**
- Drivers must be at least 21 years of age, have a current Idaho driver's license, and automobile insurance coverage with at least \$100,000 per person/\$300,000 per accident liability limits. The above liability limits are required by the Diocese of Boise. It is required that field trip drivers also maintain medical coverage of \$100,000 per person to cover their passengers.
- Transportation is to be provided in accordance with the purposes of the field trip. Travel must be to and from the field trip location. **NO SIDE EXCURSIONS OR TREAT STOPS ARE ALLOWED.**

Library Policies

St. Mark's school library will operate in compliance with the Idaho Library Law 2024 ([Idaho Code 18-1517B](#)). The library will be open all day every day during the week. The library is staffed by a librarian and volunteers.

- Students in grades K-2 are allowed to check out one book at a time. Students in grades 3-8 are allowed to check out two books at a time.
- Books may be kept for one week.
- Teachers will be given a weekly list of students with overdue books. If a student has any overdue books, he/she may not check out additional material until the books are returned.
- Parents will be notified if library privileges have been suspended due to overdue books.
- If a book should be lost, the student should notify the librarians and a thorough search of the shelves will be made. If the book cannot be found, the student will be informed of the replacement cost. Lost books may be replaced either by purchasing a new copy of the book or by paying the replacement cost. If your child feels that he/she returned a book that we list as missing, please have your child speak with the librarian.
- Disruptive behavior in the library will not be tolerated and offending students will be denied library

privileges.

Computers

Students are provided opportunities to develop competencies to achieve technology's full benefits. This is done in conjunction with our total school program, not apart from it. Technology is used to enhance students' physical and social developmental experiences, critical thinking, problem-solving, knowledge acquisition, development and application of skills, and moral decision-making. School-issued computers are available to students in every classroom. Each student is required to follow the expectation as outlined in their Computer/Network Contract which works to ensure that the use of computers at school will be restricted to the legitimate education purposes for which they are intended. The Computer/Network Contract is found in **Appendix B**.

Asbestos

In 1986, Congress passed the Asbestos Hazard Emergency Response Act, referred to as AHERA. Part of the requirements was that every school be inspected for the presence of asbestos in any of the building materials. The reason for this is that there is evidence that asbestos may be a health hazard under certain conditions and above certain amounts. Since the primary danger is from the inhalation of the very small fibers, the most concern is with the asbestos that can become airborne easily; but even hard substances e.g., floor tiles can emit fine particles under certain conditions (like sanding or drilling) and therefore, all asbestos was searched out.

St. Mark's School has a detailed management plan that is in compliance with Environmental Protection Agency (EPA) regulations regarding asbestos. As part of the management plan, we conduct regular inspections of our facility to continue to ensure safe conditions. As per EPA regulations, a notification to parents/patrons regarding our asbestos management plan is done on an annual basis. Inspections are required every three years. St. Mark's last inspection was completed in May of 2023. A copy of the inspection report is available for viewing in the school office.

UNWRITTEN REGULATIONS

This handbook is limited in its content. Emphasis has been placed on those areas deemed most informative and necessary to the students, parents, and personnel of St. Mark's Catholic School at the present time. It is impossible to anticipate every situation that might arise in the future. Situations that detract or disrupt the educational process or that detract from the dignity of St. Mark's Catholic School or the individuals associated with the school will be held to be unacceptable even though not explicitly prohibited in this handbook.

Middle School students will receive a [handbook](#) the beginning of the school year highlighting policies specific to them (homework policies, discipline policy, locker usage, tardies, etc.) Please see appendix for a copy of the brochure.

The school and its administration reserve the right to amend this handbook for just cause. Prompt notification of any changes will be given to parents should this occur.

2025-2026 UNIFORM DRESS CODE

PURPOSE: The dress code at St. Mark's School is to help provide a safe learning environment that emphasizes the dignity of each student as well as developing pride in the school, one's appearance and the community. It allows the student to focus on academics rather than on dress. It also helps eliminate competition for expensive and/or fad clothing. The school's dress code also serves to develop healthy attitudes regarding Christian modesty, cleanliness, and neatness. Compliance with the dress code is an expectation of each student attending St. Mark's School. *Parents, guardians, students, teachers, and staff must be knowledgeable and supportive of the school's dress code.*

WHERE TO PURCHASE: Uniform items included in St. Mark's Uniform Dress Code may be obtained from our preferred supplier at **Educational Outfitters** of Boise, 9543 W Emerald St Suite 105, Boise, ID 83704. **Many stores** have uniform sections including **JCPenney, Land's End, Old Navy, and the Gap**. All uniform items purchased must be uniform-style and **EXACTLY** the same as those verified at our preferred supplier. **WHEN PURCHASING ANY UNIFORM ITEM, remember to refer to this Uniform Dress Code before purchasing items, as not all items in a store's uniform section are part of our dress code.**

Navy or Columbia blue polo shirts for sixth, seventh and eighth grades (Middle School) may be purchased and sweatshirts and spirit shirts must be purchased at **Educational Outfitters**. Middle School shirts not purchased through **Educational Outfitters** must be embroidered with the official St. Mark's School logo* at **Educational Outfitters** for a minimal fee. *Please feel free to call the office if a particular item of clothing is in question or if you have any other special concerns.*

*Official Logo:  SAINT MARK'S
—CATHOLIC SCHOOL—S

Used Uniform Sale

Each summer the Home and School Association hosts a used uniform exchange and sale. Flyers are emailed to parents prior to the event. During the school year, a limited number of used uniforms are available for purchase or exchange.

ENFORCEMENT: Classroom teachers and school staff will enforce the dress code. On a student's first infraction, a verbal warning will be given to the student. Additional infractions will result in lunch detention.. Parents may be called for appropriate clothing to be brought to school for the student to change into. Underall instances, interpretation of the Uniform Dress Code is at the discretion of the Principal.

St. Mark's is willing to trade that item from our Uniform Exchange supply if the size needed is available.

St. Mark's Catholic School-Owned Technology Policy

"Chromebook" means a St. Mark's School owned computer or other technology which is assigned to a student by their homeroom or course teacher. Chromebooks are not to be taken home.

Receiving and Returning a Chromebook

Usage of a St. Mark's Catholic school provided Chromebook is a privilege. The Chromebook is the property of St. Mark's Catholic School and may be subject to inspection at any time.

Receiving a Chromebook

- Parents must sign and return the user agreement before a Chromebook will be issued to a student.
- Chromebook is barcoded through the IT system and checked out to the student for the school year, just like a textbook.
- St. Mark's Catholic School has the right to repossess, take back, inspect, view or otherwise access the Chromebook at any time, whether or not Chromebook is in student's possession with or without notice, and with or without permission.

Returning a Chromebook

- Chromebooks and all accessories connected to the Chromebook will be returned to St. Mark's Catholic School Front Office or at the book return during the final two weeks of school so the Chromebook can be checked for serviceability.
- Chromebooks must be returned immediately when a student transfers out of St. Mark's Catholic School or terminates enrollment for any reason.

Fines and Fees Related to Chromebook

- Chromebooks not returned to St. Mark's Catholic School, when requested, and in satisfactory condition will be charged a replacement fee of \$350.
- There is a \$20 replacement fee for a damaged or lost charger.

Caring for the Chromebook

Students are responsible for the general care of the Chromebook they have been issued by St. Mark's Catholic School. Chromebooks that are broken or fail to work properly must be immediately returned to the Front Office at St. Mark's Catholic School.

Students are solely responsible for anything done using their assigned Chromebook

- Chromebook will scratch. Avoid using any sharp objects on the Chromebook or sliding Chromebook against any other surface.
- Chromebooks must be stationary, on a solid, stable surface when in use.
- Students shall not cause Chromebook to come into contact with liquid.
- Chromebook may be cleaned with a soft, lint free cloth. Do not use sanitary wipes, window cleaners, household cleaners, aerosol sprays, solvents, alcohol, ammonia, or abrasives to clean the Chromebook.
- Failure to observe these rules may cause parents to become responsible for the cost of the replacement Chromebook.
- If a Chromebook fails to work or is damaged, the student/parent must immediately report the problem to our IT Department or the student's teacher.
- Attempting to change the operating system or district settings on the device will be subject to student discipline.
- Never throw, toss or carelessly move a Chromebook under any circumstances. Do not slide, lift, or move a Chromebook by its screen. Shoving into a book bag and then tossing said book bag to the ground typically results in damage to the

Chromebook.

- Cords and cables must be inserted carefully into the Chromebook to prevent damage.
- Chromebooks must remain free of writing, drawing, stickers, or labels that are not the property of St. Mark's Catholic School or with prior approval in writing by the principal.
- Chromebooks have a unique identification number, and at no time should the numbers or labels be modified, damaged or removed.
- Chromebooks must never be left in a car, or in any unsupervised area.
- Exposing the Chromebook to pressure, weight, heat, humidity or cold will damage the Chromebook.
- Never turn a Chromebook on when it is not dry and at room temperature. Chromebooks must be stored in a dry area.
- Students are responsible for fully charging their Chromebooks for school use each day.
- Chromebooks are assigned to the student who is solely responsible for its care. Students should not lend their Chromebook to another person.
- It is the responsibility of the student who is issued the Chromebook to protect that Chromebook.
- Chromebooks that are lost, damaged or stolen while in the student's possession will result in the parent replacing the device, whether or not the damage or loss was the student's fault.

Screensavers/Background Photos

- Personalized screensavers or backgrounds are never permitted.

Network Connectivity

- St. Mark's Catholic School makes no guarantee that the network will be running, accessible or reliable at any time.
- St. Mark's Catholic School will not be responsible for missing or lost data. Students should save and back up all files regularly.

No Loaning or Borrowing Chromebooks

- Do NOT loan Chromebooks or other equipment to other students under any circumstance.
- Do NOT borrow a Chromebook from another student under any circumstance.
- **Do NOT share password, access, or username with others under any circumstance.**

Appropriate Use of Digital Citizenship

To promote safer digital learning, ALL Chromebooks are monitored using LANSCHOOL software.

- St. Mark's Catholic School issued Chromebooks should be used for educational purposes only and students are to adhere to the St. Mark's Catholic School rules at all times.
- Student will not use the Chromebook to bully or harass other people.
- Technologies such as OpenAI, ChatGPT, Bard, and others are not to be used to create content for submission, such as responding to questions, creating papers, writing essays, answering math problems, or completing any homework, unless a teacher approves its usage. Software to detect AI usage is used.
- Wireless headphones, such as AirPods, etc. are not allowed. Wired headphones may only be used with teacher permission.
- Wearables, such as Smartwatches, Fitness trackers, etc. are not allowed. Students with medical needs may obtain a medical exemption through the school.

By signing this agreement, I am accepting the terms of this agreement. I agree to be financially responsible for the replacement cost should the Chromebook be lost, stolen, or damaged. This includes any damage or loss that occurs on campus.

G Suite for Education Permission

Dear Parents/Guardians,

St. Mark's Catholic School recognizes that technology and Internet resources offer a wide variety of educational opportunities and tools that can enhance learning. Google Workspace for Education is one of the important tools utilized by teachers and students to help students succeed. This is the same Suite used by Bishop Kelly and other local Catholic schools. Use of Google Workspace is at the discretion of the classroom teacher and will only be used when appropriate for the student's grade level and learning objective. We are very excited about the possibilities that Google Workspace offers students and teachers in the classroom as we strive to provide our students with 21st Century skills.

St. Mark's Google Workspace for Education domain (stmarksschoolboise.com) is different from a personal Google account and is NOT open to the public. It is a safe and secure "self-contained" cloud-based system that is unique to our domain. Features typically available to personal Google accounts like video chat, personal profiles and social networking will NOT be accessible to our students. Teachers and parents will have the ability to monitor everything that a student does within Google Workspace. This permission form describes the tools and student responsibilities for using these services. As with any educational endeavor, a strong partnership with families is essential to a successful experience.

The following Google services will be available to each student and hosted by Google as part of St. Mark's Google Workspace for Education:

- **Gmail:** A private email address that can only be used to send and receive email for specific teacher directed projects and communication.
- **Drive:** A secure online space where students will store all of their digital work. In Google Drive students can create Google Docs, Google Sheets, Google presentations using Slides, Google Drawings, and they are all stored on the web. Anywhere students have access to the internet, they can access their work. Students will be able to work on projects at school and at home. Applications in Google Drive can be shared for collaboration.
- **Calendar:** An individual calendar providing the ability to organize schedules, daily activities, and assignments.
- **Classroom:** Classroom is designed to help teachers create and collect assignments paperlessly, including time-saving features like the ability to automatically make a copy of a Google Document for each student. It also creates Drive folders for each assignment and for each student to help keep everyone organized.
- **Selected Apps:** Selected apps will be available to students when requested by teachers and when safe, and appropriate.

Student use of Google Workspace for Education is governed by St. Mark's Technology Safe Use Agreement. Students are responsible for their own conduct at all times when using Google Workspace for Education, just as they are when they use any technology resources the school offers. Students retain the intellectual property rights of any work that they create and store on Google Drive. There are no ads in Google Workspace for Education. Google will not sell data to third parties nor will they share information in Google Workspace with third parties except if required to do so by law.

St. Mark's encourages all parents to share in the Google Workspace for Education experience by logging in with your child to see the types of activities and educational experiences that are offered.

St. Mark's Permission Form for Google Workspace for Education

By signing the handbook receipt, I give permission for my child to be assigned a St. Mark's Google Workspace for Education account. This means my child will receive a restricted email account and access to Google Workspace for Education. I understand that I may ask for my child's account to be removed at any time. I confirm that I have read and understand the following:

- Google Workspace for Education runs on an Internet domain purchased and owned by St. Mark's School and is intended for educational use only.
- By default, advertising is turned off for the school's Google Workspace for Education domain. No personal student information is collected for commercial purposes.
- Students will only be able to send and receive email from teachers and other students in their class(es). Using email will be at the discretion of the teacher. All outside email is blocked. (Exceptions would require separate parent/guardian approval for programs requiring students to email outside of the SMK domain.)
- Students have no expectation of privacy on the Google Workspace system. School staff, and administrators all have access to student email for monitoring purposes.
- Access to and use of Google Workspace for Education is considered a privilege and is at the discretion of St. Mark's School. St. Mark's maintains the right to immediately withdraw access and use of Google Workspace for Education when there is reason to believe violations of law or school policies have occurred.

Technology use by St. Mark's Catholic School is governed by federal laws including:

Children's Internet Protection Act (CIPA) <https://www.fcc.gov/consumers/guides/childrens-internet-protection-act>

Children's Online Privacy Protection Act (COPPA) <https://www.ftc.gov/tips-advice/business-center/guidance/complying-coppa-frequently-asked-questions> COPPA applies to commercial companies and limits their ability to collect personal information from children under 13.

Family Educational Rights and Privacy Act (FERPA) <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

Appendix D

St. Mark's Academic/Behavior Eligibility Agreement

St. Mark's is blessed to have many extra-curricular activities available to our student body; TVCS sports and dances, the Hallissey and Idaho Catholic Schools Invitational (ICSI) tournaments, etc. Of course, academics come first at St. Mark's, and eligibility requirements have been established to ensure our students are in good academic **and** behavioral standing to participate in extracurricular activities. Students are responsible for knowing their academic standing by regularly checking FACTS. At the end of each school week, middle school students will be given an opportunity to check their grades.

In order for a student to be in good academic standing, they must:

1. Not have two Ds or F in any course
2. Be present at school on the day of the event for a minimum of 4 hours
3. Not have any behavioral infractions

If a student is not in good standing for athletics:

1. They will receive a warning from their teacher or an administrator. The coach/leader and parent will be notified. The student will have one week to be in good standing and remain eligible.
2. If a student's grades are above eligibility status as stated above at the next grade check, they are eligible to participate in activities. If not, that student is ineligible to participate in afterschool activities for one week.
3. Weekly grade checks will determine eligibility for the following week.

If a student is not in good standing for events/activities:

1. Students will know at the end of each week if their grades will prevent them from participating in an event the following week.
2. If grades do not meet eligibility status as stated above on the first day of the school week in which the event occurs, the student will not be able to participate. Parents will be notified.
