

Grandparents Club

The relationship between a child and their grandparents is one of the most special things. The Saint Mark's School Grandparents Club is an exciting opportunity for grandparents to support our young disciples of Christ. Being a member means you will receive approximately four newsletters throughout the school-year with information on events, Masses, service projects, fundraisers, stories about what the students are doing and updates on what's happening at the school. You are not obligated to do anything, but will enjoy receiving our notes, photos and videos about all the great things going on at our school. There are also two receptions each year that grandparents are invited to attend.

Even if you are not local, the Grandparents Club is a great way to stay connected to the Saint Mark's Catholic School community. To join this group and receive more information, fill out the form below and return it to the school office or email it to Mary Larrinaga at mary.larrinaga@gmail.com
